Minutes

Meeting title: Internship-phase-2-Day-15

Date + Time: May 17, 2024 @1:30 P.M.

Location: Jain University, LH-102 (offline)

Host:

Futurense Technologies: Mr.Akash Das

Participants:

Jain University: AI&DE second year students

Agenda

Agenda item-1: Understanding about the subqueries in MySQL.

Agenda item-2: Understanding about how and where to use views and CTE and difference between them in MySQL.

Session objectives

- To get complete understanding on sub-queries and it's types by practicing some problem statements in MySQL.

- To learn about views and CTE and their different use cases in MySQL.

Key takeaways

- Information about sub-queries and different scenarios of using sub-queries in MySQL.

- Creation of views and different use cases of views and CTE in MySQL.

Resource links and materials

Tasks:
- **Discussion-5:** https://github.com/akash-coded/mysql/discussions/5

Contact Chimirala Kowstubha, AI&DE 2nd year **with additional questions.**
